THREE LIONS WORLD CUP DINNER

In aid of the Willow Foundation

The Willow Foundation is the only charity of its kind in the UK providing special days for seriously ill 16 to 40 year olds. Bob Wilson, and his wife, Megs, founded the charity in 1999, in memory of their daughter, Anna, who died of cancer aged 31. To date the charity has organised and funded morale-boosting special days for more than 5,500 seriously ill young adults. Your support will help Willow to provide many more special days for young adults living with the difficult realities of life-threatening conditions.
